BEAR RANCH

Bear Ranch LLC was purchased in 2006 by it's present owners Bill and Bridget Koch. It is a working cattle ranch with registered Saler cattle and an extensive haying operation. It consist of nearly 5000 acres of high mountain land surrounded by towering peaks that look down on lush meadows. This picture was taken by Kay Bumgardner showing the beautiful herd of Longhorn Steers with the Ragged mountain range in the back ground.
